## BURIAL VAULTS (FULL SIZE AND CREMATIONS)

Cemetery regulations require the use of a steel or cement vault for all interments including cremations. Approved cremation vaults are Hepburn HHH, Batesville Pebblecove. Call Cemetery office if you wish to use some other vault. Top of cremation vault must be 100 square inches or larger.

## BURIAL AUTHORIZATION FORM

Cemetery regulations require a signed Burial Authorization Form before opening a grave.

- This form must be signed by the lot owner, an heir of the lot owner, or someone designated in writing by one of the above with the authority to give authorization for burial.
- When it is impossible for a visit to the Cemetery Office, authorization must be given by mail, email, or fax within the designated time. (Authorization by phone is not acceptable)
- The Burial Authorization Form must be signed and in our possession a minimum of two (2) working days prior to the scheduled burial.
- Payment in full must be received at the Cemetery Office two (2) working days prior to the scheduled burial. This may be paid by credit card, cash or check or may be guaranteed by the attending Funeral Director and delivered prior to the interment.
- The "On-Time Fee", if applicable, must be paid two (2) working days prior to the scheduled burial.

## WINTER BURIALS

Burials will be made throughout the winter except on Sundays or when weather conditions make the interment process unsafe. Burials are made in the winter at the discretion of the Superintendent. A procession during the winter will be \$350.00 above the normal charges.

## BABY SECTION

Only flush markers are allowed. The Cemetery will supply one temporary aluminum grave marker which remains the property of the Cemetery. Family may plant flowers only, no shrubbery
