

# Greenwood Cemetery & Arboretum

**THANK YOU!!!** Thank you for being a part of the 2019 Wreaths Across America program at Greenwood Cemetery. We look forward to having you attend the ceremony on December 14 at 11:45 AM. Please be prompt! We will be providing transportation from the parking area to the ceremony site. Only the Sheridan Street Gate will be open.

After a brief ceremony you may help place wreaths; you may stay and enjoy coffee, hot chocolate and cookies; or you may leave. Whichever option you choose, you will be happy that you attended. It only took a little more than an hour to place all 1,500+ wreaths last year.

**CLOTHING.** I would say something here about dressing appropriately for cool and snowy weather but we are Michiganders and know that warm clothing is important at an outdoor event such as this – so I won't say anything.
