

Notice in Relation to Cemetery.

In view of the fact that a considerable sum of money is due for cemetery lots, and some of long standing, the township board has taken the action covered by the following resolution:

That all selections for lots in the Bear Creek cemetery heretofore made, that shall not have been fully paid on or before the first day of August next, be and are hereby declared forfeited from and after that date, and that all bodies buried there shall be removed to the potter's field as soon as practicable after such forfeiture.

The board also found it necessary to extend the plats for the reason that the present platted lots are nearly all sold. The old potter's field comes within such extension, or its streets and alleys. A new field has been set off, and notice is hereby given to the friends and relatives to come forward and remove their dead to this new field or select permanent lots.

A. C. HUNTLEY,
Clerk Board of Health, Bear Creek Township.
